Dr. Farrin
Superintendent of Schools

Mr. West
Assistant Superintendent of Schools

Honored by being interviewed for the first time in twenty-two years as Superintendent of Schools, Dr. Farrin recently shared with us his Philosophy of Education. He started off with, "to help perpetuate an important democratic way of life and to help each student become all that they are capable of becoming." He continued, "Also to provide an educational program that meets the needs and initial abilities of all students."

Impressed by the overall activities and attitudes of the Class of 1987, Dr. Farrin felt that the "finest thing a senior class has ever done" was to hold the Seniors For Seniors Dinner, which was a united effort by the senior class. Reaching out to the senior citizens in the community added a compassionate aspect to the students who are graduating and will be on their own.

Saying that we are all "good and fine people" ended the interview on a very positive note with best wishes for doing well in the future.

Mr. Edward Knight
Principal

Mr. William Concannon

Mr. James Kababik

"To graduate a student who is ready to take his and her place in the community, making contributions causing the society to be a better place in which to live."

MR. KABABIK PROFOUNDLY SAYS:

SUPERLATIVES CLASS OF '87

SUPERSTARS

On September 24, 1986, we seniors spent home-room period voting on superlatives. We deliberated as to who had the nicest eyes or smile and who was most dedicated to the school or the most artistic. These were big decisions to be made in the short time that we had.

In tallying the votes it was obvious from the start who would be the winners in some categories while in others it was right down to the wire. It was exciting to be able to count the ballots and know whom we had chosen.

Over the next few weeks the photographer was here on numerous occasions taking pictures and retaking pictures to have everyone at their best.

I, along with the yearbook staff, would like to thank everyone who participated. Thanks to all who voted and to those who won.

The senior class officers of the graduating class of 1987 are proud and honored that our peers have elected us to represent them.

Our goals have not only been to achieve financial success, but also to strive to ensure that the memories we have left our class will be ones we all reflect on with joy and sentimental happiness.

Hopefully, I speak not only for myself but the other class officers as well when I wish the members of our class good luck and prosperity in their future endeavors. "What lies behind us and what lies before us are tiny matters compared to what lies within us." Ralph Waldo Emerson

YEARBOOK STAFF

The meetings started back in June of '86 with many eager faces, but it soon dwindled down to a few dedicated souls. We stayed late and worked hard. There wasn't a problem that could not be solved. Nobody did anything alone; there was always someone there to help. This book is a collection of all of our memories as the class of 1987. None of us could have done it alone. We all did it together.

This is your year. The year you worked so hard for. The year you thought would never come. These photographers will be your memories of North along with all the times you spent with your friends.

Remember all those last-minute trips to the library for the report you said you weren't going to wait until the last minute to do and how you socialized more than you worked.

Remember stopping in the hall to talk, only to hear the echo of Mr. Concannon saying, "Not on my time! Get moving!"

Remember cutting the lunch line only to be stopped and sent back by Mrs. Reilly or the time you dropped your tray and everyone clapped.

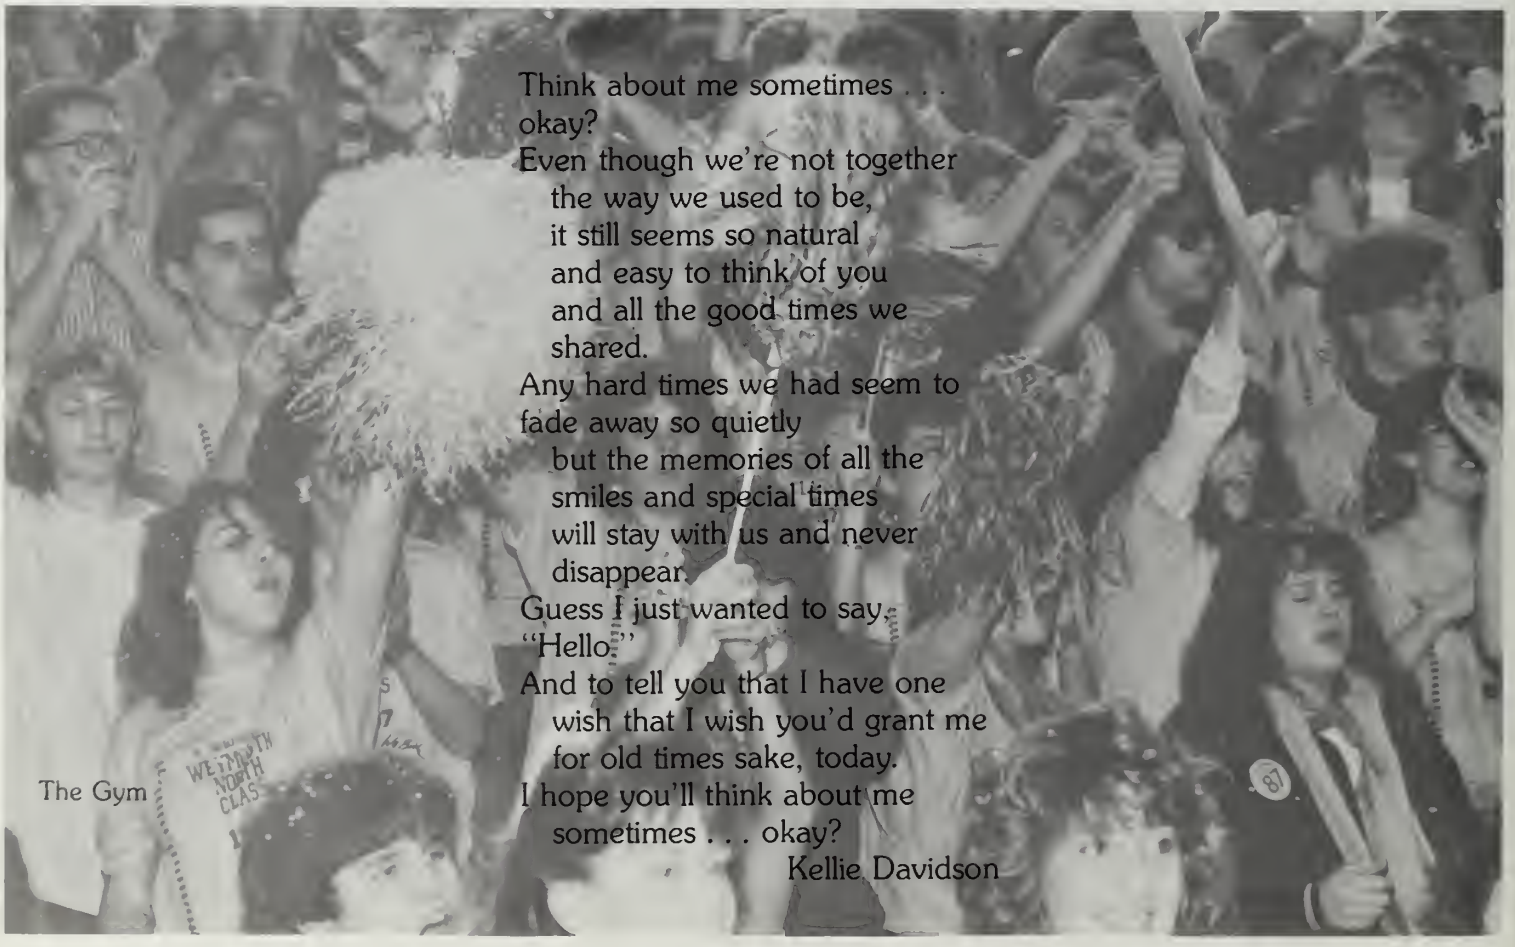
Remember when you had that crush on that someone special and he (or she) smiled and said "HI" the day you wore sweatpants.

Remember how you felt the day you were no longer an underclassman but that you were a SENIOR!"

These may be some of the memories that you have when you look back on your years at Weymouth North. Always remember your own special recollections and friendships you made along the way during your years at North!

Linda Karaian

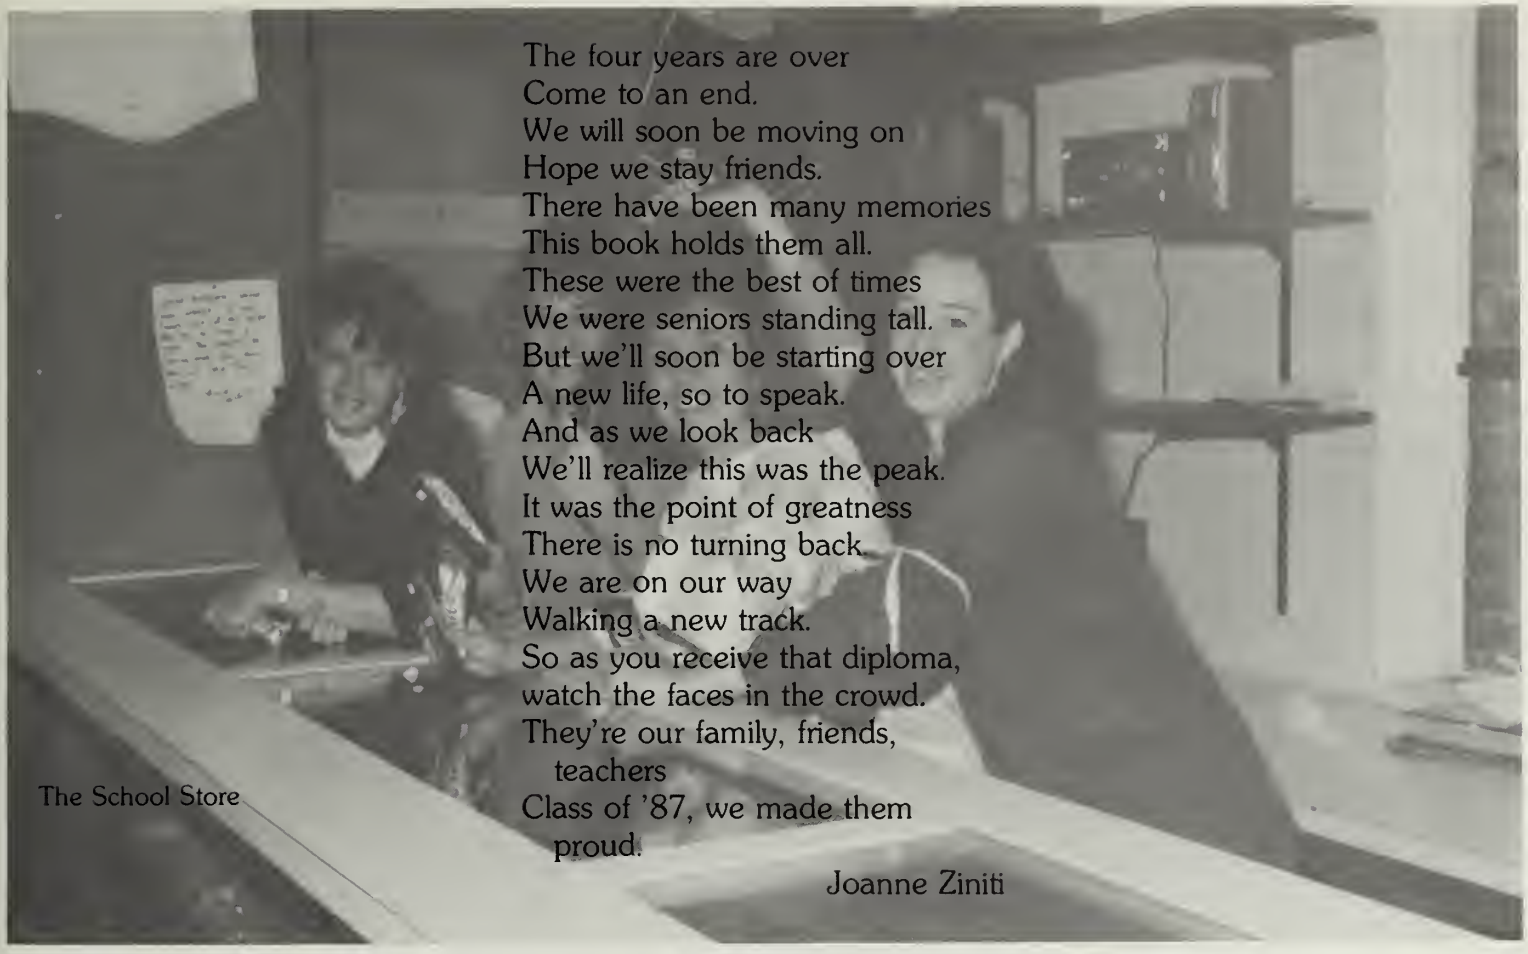
The Cafeteria



Think about me sometimes . . .
okay?
Even though we're not together
the way we used to be,
it still seems so natural
and easy to think of you
and all the good times we
shared.
Any hard times we had seem to
fade away so quietly
but the memories of all the
smiles and special times
will stay with us and never
disappear.
Guess I just wanted to say,
"Hello."
And to tell you that I have one
wish that I wish you'd grant me
for old times sake, today.
I hope you'll think about me
sometimes . . . okay?

Kellie Davidson

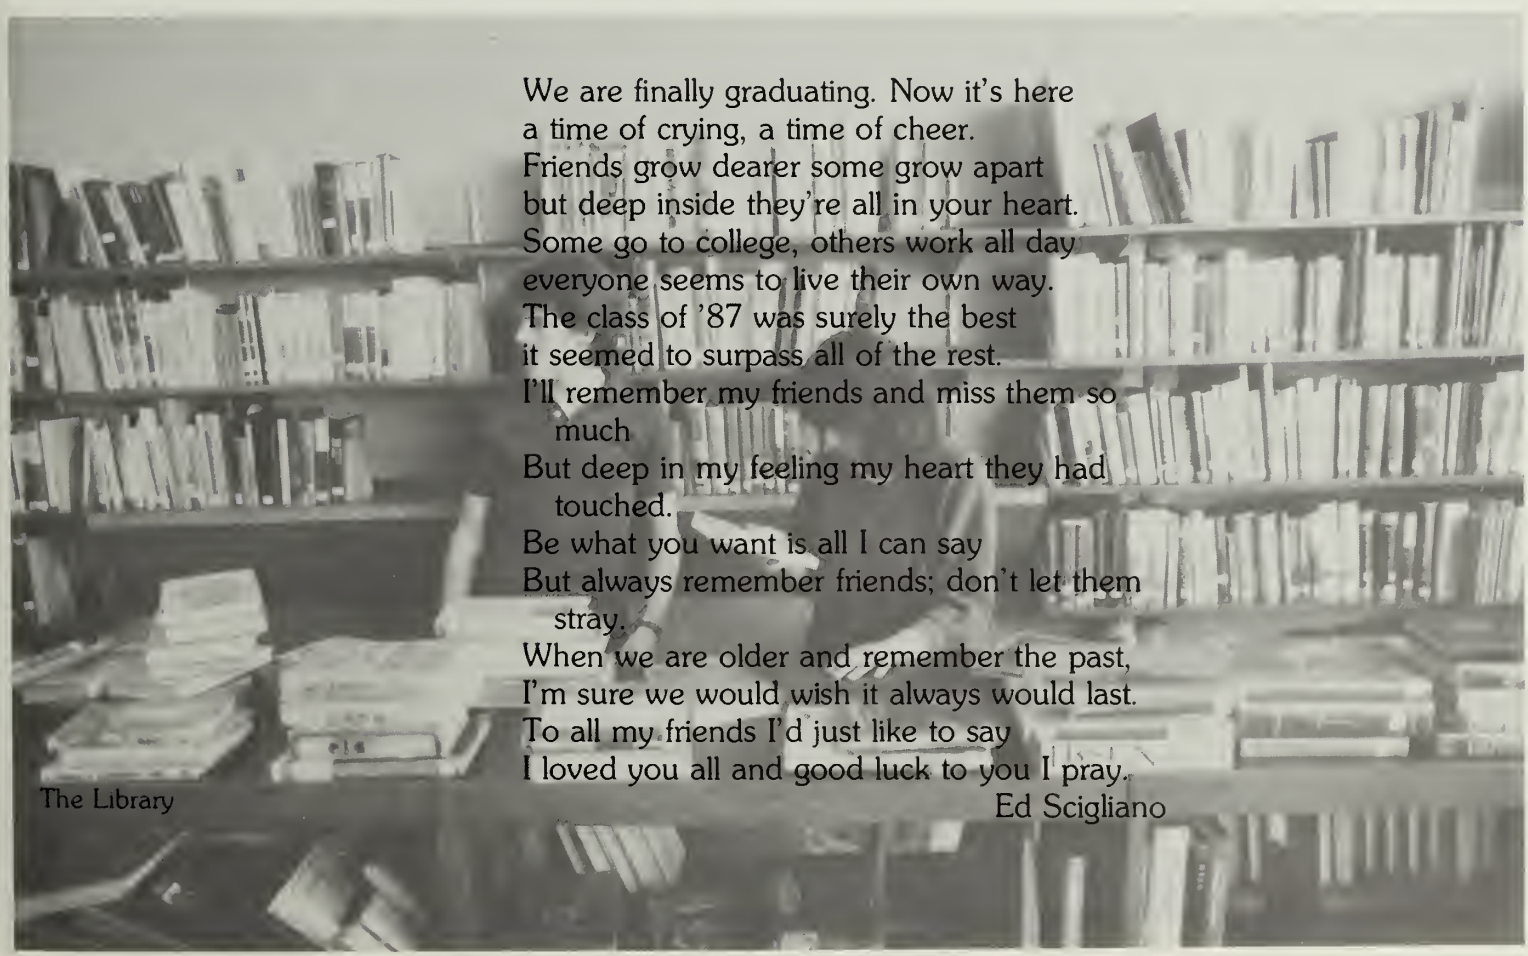
The Gym



The four years are over
Come to an end.
We will soon be moving on
Hope we stay friends.
There have been many memories
This book holds them all.
These were the best of times
We were seniors standing tall.
But we'll soon be starting over
A new life, so to speak.
And as we look back
We'll realize this was the peak.
It was the point of greatness
There is no turning back.
We are on our way
Walking a new track.
So as you receive that diploma,
watch the faces in the crowd.
They're our family, friends,
teachers
Class of '87, we made them
proud.

Joanne Ziniti

The School Store



We are finally graduating. Now it's here
a time of crying, a time of cheer.
Friends grow dearer some grow apart
but deep inside they're all in your heart.
Some go to college, others work all day
everyone seems to live their own way.
The class of '87 was surely the best
it seemed to surpass all of the rest.
I'll remember my friends and miss them so
much
But deep in my feeling my heart they had
touched.
Be what you want is all I can say
But always remember friends; don't let them
stray.
When we are older and remember the past,
I'm sure we would wish it always would last.
To all my friends I'd just like to say
I loved you all and good luck to you I pray.

The 1986 Weymouth North Football team ended the season with a record of 2 wins, 6 losses, 2 ties. The Maroons were led by Co-captains Frank Marino and Ken Snell both of whom gave the team strong efforts and leadership. Ed Steele, the fine two way tackle/guard, was named to the O.C.L. All Star Team as well as the Patriot Ledger All Scholastic Team.

This past season was one of transition as a new coaching staff took over. The Maroons opened with a victory over Braintree and a come from behind tie with Taunton. The middle part of the schedule saw the "iron" of the league, Plymouth Carver, Bridgewater-Raynham, Randolph prove too strong for the young Maroons. The highlight of the season came at Silver Lake with a thrilling 25-22 win. Sophomore Barry Bourassa rushed for 205 yards and 3 touchdowns.

With over 35 players returning next year the outlook is bright. North will be led by Tri-captains Mike Ware, Kevin Mackin and Charles Lees.

The football team would like to thank everyone who contributed to the team and say a special thank you to new to North High Coach Kelly.

There were good performances by forward Bill O'Connel, defenseman, John Fitzgerald and goalie Jay Woodward. With 9 starters returning, the team is forseeing a good year.

GIRL'S X COUNTRY

This years girls Cross Country Team, although they did not have a winning record (2 wins, 6 losses), experienced many close meets and everyone put in alot of effort. Seniors Christine Petterson and Margaret Muir were Co-captains and provided guidance to the rest of the team along with new Coach Todd Elwell. Coach Elwell was able to provide his knowledge and expertise in the field, which helped greatly. In dual meets, Christine Petterson was a string competitor, consistently finishing first for the team, with newcomer Janese Willy close behind. Much credit should also be given to Margaret Muir, Amy Conway, Kay Quinn, and Debbie Locke who were next in line and solid performers. In post season action, Petterson was a member of the O.C.L. All Star Team and Willy received Honorable Mention. Next years team looks good with Willy, Conway, Quinn, and Locke, all returning.

The 1986 Cross Country team's record was 2-6, but despite the many losses the individual members achieved many personal records. The Co-captains, Pat Desmond and Matt Rinella led the team taking the first and second places with Dave Chase close behind. The fourth, fifth, sixth spots interchanged between Eric Bennedetti, Colby Geever and Geof Carter. These three members of the team were many factors in the victories over Taunton and Bridgewater Raynham. George Johns, and Thom O'Rourke did exceptionally well also. Mike Walsh did his part by pushing back the opposition which helped the team score. Chuck Petrie and Derek Petrus, the new members of the team, were great influences on the team with their tremendous effort and high spirits.

The team was ranked sixth in the regular season but took fifth in the Old Colony League meet. Todd Elwell was new to the team this year but with great enthusiasm and experience he whipped the team into shape. With new workouts and techniques which Coach Elwell provided the team reached its peak of performances and did its best in years.

HOCKEY

Weymouth North's 1986-87 Hockey season could be summed up with one word: "youth." With only three seniors and five juniors, this was the youngest team ever to play varsity hockey at Weymouth North. Led by seniors Mike MacDonald, Ken Snell, and Brian Haley, North won five games and the scores were really close in almost every game they played. Captain Mike McDonald was also the leading scorer on the team showing leadership for the younger players.

This year's team did not fare as well as hoped. Their record was 4 wins defeating Silver Lake, N. Quincy, Weymouth South and Plymouth-Carver, with 12 losses. Though the team's season record wasn't good, in the South Shore Sectionals, the team placed 7th out of 16 teams with only 9 wrestlers. Placed 1st was captain Sean O'Connell at 147 lbs. and captain Kevin Mackin placed 3rd at 187 lbs. Also placed was John Daly, 4th at 140 lbs. Placed 6th were John Fitzgerald at 134 lbs., Shawn McKinnon at 157 lbs. and Charles Lees III at heavyweight. With only 1 senior leaving the team, the varsity will surely be a power in the Old Colony League.

For the third straight year the boys' basketball team qualified for post season play. They finished with a record of 13-6. They were led by seniors Billy Doyle, Mike West, Mike Mathisen, and All-Stars Mike Marini and Mark Reddish. The season was filled with exciting finishes and some very tight games including a dramatic one-point win over arch-rival Weymouth South.

Returning are starting center Sean McBirney and 6th man Chris Mazzota, also a trio of good guards with Mike Walsh, Pat Rodden, and Barry Bourassa and sharpshooting Vern Larkin.

Due to graduation we will lose some fire-power and new people will have to come forth and accept the responsibility that the seniors will leave.

The game was won by North by five points as a result of a twenty point fourth quarter.

BOYS' WINTER TRACK

We had a lot of new faces and a lot of illness this year, which affected some key people. Despite this, there were some outstanding performances. Co-Captain, Chris Allen threw the shot over 42 feet. His effort was the first over 40 feet, put in, in over ten years. He was also outstanding in the 300 yard run and the mile relay team.

Junior and Captain elect, Colby Geever was the top 600 yard runner in The Old Colony League, and the only qualifier for the State Championship.

GIRL'S WINTER TRACK

This years girls' track team, although it did not have a winning season, excelled in their individual events and everyone put in a lot of effort. This years' captains were Christine Petterson, Margaret Muir, Debbie Melville, and Tracy Kavanaugh. They were able to provide a lot of guidance to the young team due to their experience.

Melville and Kavanaugh were the dominant forces in the 8-300, and hurdles respectively, and Petterson was a valuable distance runner along with Muir.

Underclassmen Connelly, Perchard, Boben, Cleary, and Pincov all added depth to the team and with many people returning the future looks bright.

The girls' gymnastic team led by Coach Dick Hayes, continued their undefeated streak finishing with a record of eleven and zero to capture the Old Colony League title for the fourth year in a row. They also increased their record to fifty-two consecutive wins. This year's squad was led by Senior tri-captains Sandra Falzone, Jane Fulton, and Michelle McGrath. Also contributing to this year's outstanding season were Juniors Erin Klier, Becky Bourassa, and Denise Rheault, Sophomore Heather Zaporetsky and Freshman Stephanie Parrott. Even though the team will miss the talent of its seniors, the girls expect to do as well next year.

The 1986 Lacrosse season was the most successful in the schools history. An 18-2 record, a division 1 South championship, an Eastern Mass. Championship and a one goal overtime loss in the state championship were all major accomplishments.

Many team records were also set, 14 wins in a row, most goals scored in a game (23 vs. Framingham South), highest goal per game average (14), most points by the attack (214).

Many players received honors: Mark Donovan — All American, Globe All Scholastic, Herald All Scholastic, Selected to play in National High School All Star game in Baltimore Maryland, Division I high scorer 1985, 1986. Jamie Jackson — All American, Globe All Scholastic, Lerald All Scholastic Senior All Star Game. Mike Ross — All-American, Globe All-Scholastic, Herald All-Scholastic, Senior All Star game. Mike Carter — Herald All-Scholastic, 2nd team Globe All-Scholastic, Senior All Star Game. Bill Sepeck — Herald All Scholastic, 2nd team Globe All-Scholastic, Senior All Star Game.

With the return of many fine players such as David Donovan, Mike West, Stephen Keefe, Gary DelVecchio and the O'Rourke brothers and with J.V. players moving up from a 13-5 record, the 1987 team is hoping for the continued success the Lacrosse team has grown accustomed to.

The 1986 baseball season was a paradox. The team qualified for the tournament for the third consecutive year, yet they were dethroned as league champions after wearing the crown for the past two seasons.

After a slow start (6-7), the maroons reeled off seven consecutive victories. The club lost three consecutive one run games early in the season against second division teams, yet defeated league champ Bridgewater-Raynham in both contests.

Mike Marshall (.414) and Mike Marini (.388) led the hitters, and both were named O.C.L. All-Stars as well as Patriot Ledger All-Scholastics. Peter Donohoe (.327) and Mike Mahoney (.315) also broke the elusive .300 mark.

James Gilboy led the staff in pitching with a 5-1 record, including two consecutive two-hit shutouts against Silver Lake and Randolph.

SOFTBALL

The 1985-1986 Softball season was not as good as expected. The team won its first game and that is where it ended. They went 1-20. Many injuries caused the team to call up the junior varsity players. The captains were Junior Julie O'Neil and Senior Maryanne Dailey. The 1986-1987 season hopes to be a properous year with Julie O'Neil and Colleen Quinn coming back from ankle injuries. O'Neil lost her whole season and Quinn Missed 5 to 6 games. Other prospects are Tammy O'Neil, Tina LaRocco and Nicole LaRocco. Pitching should be dominated by Roxanne Comperchio.

One sophomore, Colby Geever has established himself as potentially one of the top middle distance runners in the state. Senior, Kevin Roche set a new pole vault standard of 13 feet elipsing the old record by one half foot. The team evened the score with arch rival South High by edging out their team in the Old Colony League Championships. GIRL'S SPRING TRACK

The girls' spring track team finished another season on a winning note. Their record was 5 wins and 3 losses. This keeps intact the teams streak of never suffering a losing season.

The captains for the team were Pam Sandahl, Jennifer Conroy and Ann Cullivan.

During the course of the season, many school records were set. Tracy Kavanaugh set records in the 330 low hurdles and in the triple jump. The 220 record, which was one of our oldest, was broken by Debbie Melville.

GIRL'S TENNIS

The girls' tennis team at Weymouth North High does not measure its success by wins and losses. The program, rather, was established to promote fun, fitness and sportmanship; and to elevate the love of tennis each of the teams' players posseses.

Row 1 (L-R) Liz Faerm, Krista Bryant, Eileen Dempsey, Kerry Rogers, Kristen Sweeney, Kate McCue, Angela McWade. Row 2 (L-R) Linda Fitzpatrick, Sue Jones, Jane McPherson, Nicole DePalma, Colleen Cummings, Michele Russell, Lisa Devonshire, Jackie Perchard.

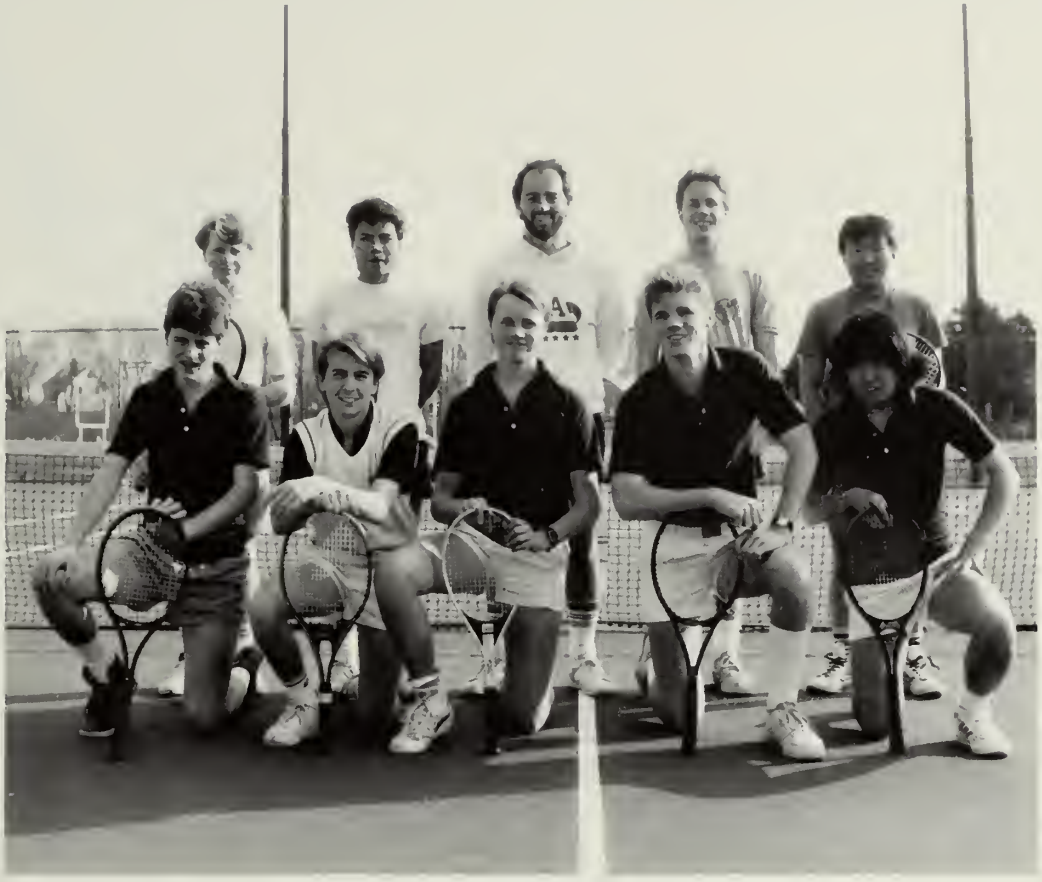
BOYS' TENNIS

Despite struggling for a tie during the season, the boys tennis team over-all turned in a good season. Leading the team was senior captain and #1 singles player Ho-Jun Park. At #2 singles was the freshman standout Jonathan Yalochuck, who will move to #1 in 1987. Ernie Bean and Tom Xayavong led the team as the #1 doubles team. There is certainly a great deal of optimism for the '87 season, with some fine talent returning for action.



Row 1 (l-r) Matt Thomas, Tom Xayavong, Coach Pacini, Ernie Bean, Ho-Jun Park. Row 2 (l-r) Tom Powers, Jonathan Yalochuck, Derek Lisinski, Dan Kowalski, Ho-Jin Park.
